

# DONOR TRAVEL WORKSHEET

Your recent traveling and residency information is important when you donate blood. If you have traveled or resided outside the United States or Canada in the past 3 years, please complete this worksheet. Use additional sheets if necessary.

## Instructions:

- Complete the Donor Travel Worksheet to assist the technician with determining your eligibility
- Bring the worksheet with you to your donation

Where did you live outside the United States or Canada? Please list country/ies	Date of arrival in foreign country	Date of departure to the US

Where did you travel outside the United States or Canada in the last 3 years? Please list country/ies and city	Date of arrival in foreign country	Date of departure to the US

We appreciate your valuable information to make our blood supply safe.

THANK YOU
