Dear Ms. Donatelli:

We have been advised by your letter dated November 2, 2015 that you are requesting to change your legal name from Puget Sound Blood Center and Program operating under U.S. License Number 192 to Bloodworks. Your firm will henceforth be known as Bloodworks operating under your new FDA issued U.S. License Number 2042. You may use your new legal name and U.S. License number in future communications with FDA.

After receipt of this letter, please submit a CBE label supplement with only one example of your FDA previously approved ISBT product labels bearing your new legal name and U.S. License Number.

We will include information contained in the above-referenced supplement in your biologics license application file.

Sincerely yours,

for Richard J. Davey, M.D.
